**-Heavenly High**      *Thurs. 4:00 pm – 4:30pm*      *Ages 13-18*      *E/I: 13-18*

Heavenly High is based upon a high school setting where students who are facing everyday trials confide in an eccentric custodian lady who in turn compares their situation to similar stories from the bible. When she is telling the bible stories the scene flashes back to biblical times and the students the custodian is talking to become the characters in the bible story. This flash back scenario will give the viewer a visualization of how today's problems are addressed in the bible. We believe that this type of programming is essential to pulling young people from main stream television into the realm of God.
